*"In 1971, 2 brothers crafted a blend **full of heart**, mocha Italia. Over half a century later, it still defines every cup of **Costa coffee**. Because **true flavour** never leaves."*

RTB-SCRIPT-1A
PRINTED ON TEKTURA ELEMENTAL WALLPAPER ONLY

"When the Costa Brothers arrived in London in 1971, they had one dream: to create coffee that meant something. After countless trials, they perfected a bold yet smooth blend, rich, balanced, and unmistakably unique. That's how our Mocha Italia Signature Taste was born. Over 50 years later, every cup of Costa Coffee still carries that same passion, care, and iconic flavour. Because true taste never leaves."
